Commissioner for Patents

1. Please note the Examiner of record has changed. Contact information is provided at the close of this communication.
2. The amendment filed May 13, 2004 as Paper number 16 is not fully responsive to the communication mailed March 26, 2003 for the reasons set forth below:

While it is clear that claim 23 is properly addressed as a currently amended claim the markings of the claim language do not properly correspond with the status. In the instant case the recitation "or a fragment thereof" has been newly added to the claim and should reflect so with underlining. Any new language added to the claim must be underlined and any deleted language must be struck through. Each claim must be clearly and correctly identified, for example as original, new, currently amended, previously amended, cancelled and etc. In the interest of a clear record it is requested that Applicant review all claims and properly denote the claim's current status and mark the claims as so. Applicant's attention is directed to 37 C.F.R. 1.121, Manner of Making Amendments. It is required that Applicant proofread and carefully review the said amendment and make the required changes with a new amendment.

3. Since the above-mentioned reply appears to be bona fide, Applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME LIMIT MAY BE GRANTED UNDER 37 C.F.R. 1.136(a). Direct the response to the undersigned. Applicant is requested to return a copy of the attached Notice to Comply with the response.

3. Any inquiry concerning this communication should be directed to Primary Examiner Alana M. Harris, Ph.D., whose telephone number is (571)272-0831.
